

## Celebrating Nana's birthday

Yesterday my mum and dad, my 2 cousins and my 2 little brothers and my sister celebrated my nana's birthday.

First we went to the casino where my nana played the casino games. The casino games were cool. In the games you could win millions of dollars. It could give you free spins and mostly everything was gold.

Then my cousins and my sister ordered a burger and chips and nuggets. They ordered the same thing because they liked it. They liked the way it looked. It was their favourite food to eat. They ordered the same thing because they wanted it so badly.

Next we went to the table, It was clean. The table was right in the corner on the second level up the stairs. On the table it was very slippery.

Finally we ate the cake, it was a chocolate cake. It was very sweet and had big decorations on it.

I had so much fun I wish I could do it again.
